

4D3N KL & TAMAN NEGARA

Taman Negara, or National Park, is one of the world's finest accessible rainforests. The National Park was established in 1939 and it is centrally located in an isolated part of Peninsular Malaysia. It offers adventurous travelers a rainforest experience of a lifetime. Much of the park is untouched and remains as it has for past 130 million years or so. Taman Negara has an impressive list of things to see and experience.
